Program:

Sunday, the 23rd of september 2018, Lugano, Switzerland

In collaboration with the bicycle event "Bike Emotion" (www.luganobe.ch), the race is the 4th stage of European Hand Bike Circuit (EHC), organized by European Handcycling Federation (www.ehf-ehc.eu), and the track is long about 4 km, beside the longlake and the center of Lugano. A map of the circuit is enclosed in this rulebook.

Due to the large number of participants, the race will be divided into two different contests lasting 60 minutes + 1 lap ("Criterium" race).

After 60 minutes of the race, when the absolute leader passes the finish line, the bell will ring to warn athletes of the beginning of the last lap. Once completed the last lap, all the athletes are required to stop and the race will end.

Eligible categories and rankings:

At the end of the race the Jury will publish a ranking divided into the following categories:

H1 - H2 - H3 - H4 - H5 – Open male and female (M/W).

The race is valid as the 3rd event and 4th race of the European Handcycling Circuit (EHC). All participants will receive a microchip for the electronic timing that will determine the rankings (supply by Crono VA). Participants are obliged to return the chip after the race, otherwise the payment of the microchip (chf 25,00/Eur 25,00) will be required.

Anti-doping rules:

The race is held under the Swiss Cycling rules and all the anti-doping regulations will be applied.

Jury and liability:

In case of disputes or complaints about the behavior of athletes during the competition

or the award of prizes, the Organizing Committee will also count on a Jury designated by Swiss Cycling consists of 3 Commissioners chaired by a President who will coordinate with the Organizing Committee to ensure the smooth running of the event in accordance with this Regulation.

For safety reasons it is compulsory to use the color of the helmet corresponding to its category and the rear safety bar. It will be forbidden to exploit the wakes of opponents of different categories and/or escort vehicles on the race track.

Participants assume all responsibility for all risks arising from participating in the event,

thus releasing the Organizing Committee, the Partners and its expressly designated

representatives, in case of falls, contacts with other athletes, spectators, vehicles or other. The organization shall not be held responsible for any damage to persons or property which may occur before, during and/or after the event.

Amendment of the program

If the Organizing Committee and the Jury experience special situations such as to undermine public order or safety, they may at any time decide:

- to change the track
- to change the duration of the race
- to change the categories or the starting time in the event of a large attendance of Athletes
- to change the timetable and the categories group
- to cancel part of the race

In case of a racing event that could lead to alter the regular execution of the race and/or the final ranking, each and every decision will be made by the Jury in agreement with the Organizing Committee
